

DESCRIPTION

Woodworks Raw Linseed Oil is a traditional tough wearing wood treatment that gently restores tired looking timber. Provides a film free finish for use on greyed exterior timber, cricket bats, oak beams and for specialist applications.

AVAILABLE IN

500ml

RECOMMENDED USES

Suitable for interior & exterior use.

TYPES OF SUBSTRATE

Greyed interior and exterior timber, cricket bats and oak beams.

COVERAGE

Woodworks Raw Linseed Oil will cover approximately 15sqm per litre, depending on the nature and porosity of the timber.

DRYING TIME

Product will be dry / recoatable after 3 days at room temperature.

TRANSPORTATION & STORAGE

To avoid the risk of spillage, always store and transport in a secure, upright position.

STORE AWAY FROM HEAT AND FLAME.

CLEANER

White Spirit.

VOC CONTENT

MINIMAL VOC CONTENT 0-0.29% VOCs (Volatile Organic Compounds) contribute to atmospheric pollution.

PREPARATION

Ensure that the wood to be treated is thoroughly clean, dry, and free from resinous matter or loose particles. Clean oily timber with White Spirit. Rub down the surface with abrasive paper to provide a key. Avoid the inhalation of dust. Wear a suitable face mask if dry sanding. For additional information and free Johnstone's Trade datasheets call 01924 354354 or visit www.johnstonestrade.com.

APPLICATION

Apply Woodworks Raw Linseed Oil liberally by using a cloth or brush. Remove excess Linseed Oil after 10-15 minutes with a clean cloth. Up to 3 coats may be required for bare timber, rubbing previous coat with fine sandpaper for a key; use 1 coat for maintenance of existing coating.

CLEANING

Remove as much product as possible from application equipment before cleaning. Clean equipment immediately after use in White Spirit or Turpentine Substitute. Replace lid firmly. Some local authorities have special facilities for the disposal of waste coatings. Do not empty product into drains or watercourses. Immediately after use, saturate all soiled application cloths with water and dispose of safely outside the home.

PRECAUTIONS

- Safety data sheet available on request.
- If medical advice is needed, have product container or label at hand.
- Keep out of reach of children.
- Dispose of contents/container to a waste disposal site in accordance with local/national regulations.
- Do not get in eyes, on skin, or on clothing.
- Wash hands thoroughly after handling.
